That Dahlia Bulbs travel safer, better and about as cheap by express as by freight?

Express on Dahlia Bulbs is much lower than on nursery stock, such as trees and shrubs.

Express companies stand all loss by freezing.

Our Dahlias are Government inspected before shipment.

We ship promptly.

Bulbs are true to name and we can furnish almost any size divisions or tubers.

We grow what we sell.

We solicit a share of your trade.

We thank you for all orders.
